SUMMARY OF FINANCIAL POSITION

Volleyball BC's ("VBC") fiscal year ended November 30, 2023 and the organization has prepared financial statements for that period which were audited by WL & Company, Chartered Professional Accountants. The audited financial statements are available from Volleyball BC upon request. The Finance & Audit Committee met four times during the year to review the budget and financial results of VBC.

A summary of the financial position as at November 30 for the past three years and the results of operations for the 12 months then ended is presented below.

	2023	2022	2021
Revenue			
Administrative	\$ 1,198,095	\$ 601,648	\$ 627,694
Program	<u>3,974,416</u>	<u>3,387,328</u>	<u>1,771,271</u>
Total revenue	\$ 5,172,511	\$ 3,988,976	\$ 2,398,965
Expenses	<u>4,857,343</u>	<u>3,562,905</u>	<u>2,187,973</u>
Excess (deficit) of revenue over expenses	\$ 315,168	\$ 426,071	\$ 210,992
Net assets	\$ 2,346,314	\$ 2,031,146	\$ 1,605,075

COMMENTARY

Volleyball BC (“VBC”) continues to maintain financial health thanks to the support of volleyball enthusiasts across the province, the federal and provincial government, the City of Burnaby, and countless others. Management and the VBC Board make it a priority to ensure the fiscal health of VBC remains strong, and implements sound planning, rigorous execution, and appropriate monitoring of program delivery. Net assets as at the end of the 2023 fiscal year were \$2.3 million, which the board of VBC believes is sufficient to finance expected capital maintenance of the Harry Jerome Sports Center (“HJSC”) and prepare for any unforeseen financial impacts to VBC’s annual operations.

Over the past two years, program delivery has grown by approximately 17.3 percent to reach \$4.0 million (2022: \$3.4 million). Expenditures during the year increased \$1.3 million, or 36.3% compared to the prior year. The year over year change is a function of the increase in programs delivered (leagues, tournaments) and the ongoing facility rental of HJSC.

VBC ended 2023 with a \$315 thousand operating surplus which was primarily due to the higher-than-expected programming and accompanying rental revenue.

Looking ahead to 2024, VBC anticipates continued demand for programming and other opportunities for athletes to enjoy the sport of volleyball across the province. Capacity constraints are continuing to impact VBC’s ability to meet demand, and efforts to address the demand are ongoing.

The Board considers the financial status of VBC to be viable and healthy.

There were no significant issues brought to the attention of management or the Finance & Audit Committee during their meeting with WL & Company concerning the 2023 fiscal year financial statement audit.

On behalf of the Finance & Audit Committee,

ANNUAL REVIEW

The following items were discussed and reviewed over the past year:

- A matrix of best practices in sport governance was shared and discussed. This was a commitment from our Member Engagement Plan to review our current practices against best practice. It was noted that viaSport BC have rated us as exemplary in this area. A working group of Jake Cabott, Rosie Schlagintweit, and Nicole Robb provided recommendations for change and review. Note: these recommendations were subsequently reviewed and approved to move forward by the sub-committee for further development.
- The Commitment Statement on Diversity, Equity, Inclusion, and Accessibility was reviewed and recommended for approval by the Board.
- The schedule for policy review was circulated and reviewed to identify priorities for 2024.
- The Committee's Terms of Reference were reviewed and approved with minor changes. The Committee also approved the Terms of Reference for the High Performance Advisory Committee and revisions to the Terms of Reference for the Referee Committee.
- The Committee agreed to appoint Logan HR to move ahead with a compensation update to ensure that we remain competitive and aligned on our compensation philosophy.
- The Committee received the following reports:
 - The HR, Safety, and DEI Report from staff
 - The 2023 Safe Sport Action Plan
 - The annual Health and Safety Report

- The Committee oversaw the self-evaluation of the current Board and the development of a skills matrix for Board recruitment at the 2024 AGM. These documents were also provided and reviewed by the Board subsequent to the HR and Governance Committee. A Nominations Committee composed of Rayel Bausenhaus, Nicole Clendinning and Jake Cabott was struck to promote, evaluate and make recommendations of prospective Board members to the wider membership before the AGM.

2023 BC Officials Report Report to Members – AGM 2023

Submitted by: Steve Hewitson (Regional Referee Chairperson) Glenn Wheatley (Referee Development Manager)

2023 saw Volleyball continue to grow at a resounding rate and referee numbers grew as well. The High Performance season saw probably the most competitive season ever and our High Performance referees continued to provide exemplary service to both the Pacwest and USPORTS leagues!

2023 HIGHLIGHTS

- **Registration-** The registration numbers remained stable at 300 this year. We continued to run Zoom clinics throughout the Province as Volleyball Canada was delayed with their self-directed learning module that was supposed to be rolled out in September. We ran 8 clinics for approximately 200 people with 60 of them completing certification. We still have many people wanting to complete the certification process. Retention continues to be our number 1 hurdle as many of the new referees from last year did not re-register this year. Our numbers remain high in the Lower Mainland and Fraser Valley with more needed in the Okanagan and on the Island.
- **High School Season-** All zones were running at full steam for the High School season with very few issues. We continued to encourage the use of only certified and registered referees which is getting more traction. The High School season culminated in the Provincials in late November and Early December. The tournaments were well spread out this year and went to places that we don't often get to, Dawson Creek and South Slokan. Other events were held in Victoria, North Vancouver (2), Delta and Langley. All events had a great Head referee on site and were valuable educational opportunities for all involved.
- **Club Season-** This club season we continued to use the early season tournaments for Level 1 certification whenever possible. We also had some excess money from our Viasport Grant that we rolled into club season development. We used much of this to provide extra referee coaches and R2 work at many of the tournaments. We also offered free minor officiating clinics to all the clubs in the Province. Unfortunately only 7 showed any interest. Our club Provincials are just getting started but again there is a lot of interest in all of the championships.
- **North Development-** There were a handful of North referees that took part in the online clinic and either completed or are in the process of completing their certification. We have representation from the North at both our Provincial Championships as well as the Nationals in Edmonton.
- **Cranbrook Development-** It continues to be a struggle getting any new referees in Cranbrook and remains one of our top priorities.

- **Island Development-** There was a number of good young referees come out of the Island this year and the development team, led by Mark Lindal and Bill Sood, continue to do some great work. We continue to have many Island referees at both Provincial and National Championships.
- **Adult Provincials-** The adult Provincials were held again with referees taking part in the playoff matches on both the men's and women's side. It was great to see the tournament grow as the men's side doubled in size.
- **Senior Nationals-** BC hosted the Senior Nationals in Burnaby this year at Simon Fraser University. We had up/down referees for all matches and used it as a great development opportunity also providing a referee coach on each court. The event will be bigger next year and we look forward to the opportunity to work at it again next year.
- **High Performance Highlights-** We were very fortunate to be able to host the CCAA Men's Championships in Victoria (Camosun). We provided minor officials for both tournaments and all the referees performed well. We received compliments from all Referee Jury members and Major Referees on the professionalism and quality of our referees and it was a great learning experience for everyone. It is events like these that are very important to the development of referees as everyone gets a chance to sit in on the debriefs and learn from the best referees in Canada.

VOLLEYBALL CANADA NATIONAL CHAMPIONSHIPS

This year we will be hosting the 14U Nationals in Richmond as well as sending over 30 Referees to the "Super Nationals" in Edmonton. We are excited for the opportunities for all referees as this is by far the best experience for all our referees. We will be fulfilling all roles during the 12 day event, Referees, Referee Supervisors and Referee Coaches. We will also be sending 3, Level 4 candidates for final evaluations and we wish Nick Tran, Fred Settington and Marcus Vander Veen all the best.

UPGRADES

Level 3 (Regional) - There was a level 3 theory clinic held this year but no practical evaluations. There will be a new list of L3 referees after this year's 17/18U Provincials. We wish all the participants the best of luck!

Level 4 (National) – David Tam (Richmond) and Val Shannik (Kamloops) attended this year's National theory in Montreal. They will be eligible for practical evaluations next May. We are excited for our 3 candidates, (listed earlier) as they attend the practical evaluations in Edmonton at 18U nationals. We wish all 3 of them all the best as we look forward to adding to our deep pool of L4 referees.

Major Assignments – We had referees assigned to the following tournaments;

- 1) USPORTS Men's – Nik Fuess, Steve Hewitson
- 2) USPORTS Women's – N/A
- 3) CCAA Men's – Ashley Lowndes, Trevor Thors
- 4) CCAA Women's- Jannik Eikenaar

All referees performed well and represented our Province well.

Steve Hewitson was nominated as R1 for the bronze medal match at USPORTS men's nationals.

Ashley Lowndes was nominated as R2 in the CCAA Men's National final.

Jannik Eikenaar was nominated as the R2 in the CCAA Women's National Bronze medal match.

Steve Hewitson also traveled to Puerto Rico and the Dominican Republic to represent Canada at the Women's Panam Cup and the Norceca women's Championships. Steve was nominated as R1 for the Semifinals at the Norceca event.

Beach – Bruce McElroy continues on as the Beach Committee Chair. We had a full beach season in 2023 including the biggest ever Vancouver Open! It was an exciting year on the beach. We ran a level 1 clinic securing 8 new L1 referees as well. We also hosted for the first time the Youth Beach Nationals which was a huge success and will be coming back again this year. We will again be bringing in some top level International referees for the Vancouver Open which is a great opportunity for our local referees to learn from the best. BC continues to have some of the top beach referees in the country! Brian Hiebert is in his second year as the Beach Committee Chair for Volleyball Canada. Brian has travelled far and wide representing our Province, and Country, on the world stage. This year he will be representing Canada at the Olympic Games in Paris. We all look forward to going on this journey with Brian!

CHALLENGES

This coming year it will be a priority to work with Volleyball BC to develop a more forgiving club structure so our referees are not taxed so much. Advanced schedules, and early tournament location announcements would help with scheduling referees further in advance. Having more referees in the Okanagan and the Island would go a long way to helping this issue. Currently we are limited on the amount of courts we can run and this season we were beyond that.

We also need to continue to chip away at last year's priorities as the website is still not active and we continue to work on new ways to communicate and interact with our referees. We also continue to work on updating the Policy and Procedures and get that finalized. We are also looking at ways that we are able to get referees paid in a timelier manner, especially for the HP Season.

Steve Hewitson

** The Club representative departed partway through the term. In 2024, we will be revising its structure and implementing a new way forward to allow more robust and broader participation and input from clubs.*

PURPOSE

The RDC is responsible for all club/team related youth competition programs delivered by Volleyball BC (indoor & beach). Including (but not limited to):

- Development and implementation of youth indoor club competitions.
- Development and implementation of youth beach competitions.
- Development, adaptation and implementation of rules governing club activities and conduct (indoor & beach).
- Development, adaptation and implementation of rules governing competitions – outside of Volleyball Canada rules (indoor & beach).
- Issue resolution within the club/team system (indoor & beach).

SCHEDULE

The RDC meets in person two times per year and meets virtually on a monthly basis. Between meetings, RDC discussions occur on the Volleyball BC Slack workspace with VBC staff seeking input and feedback from club representatives wherever possible.

In person meetings are:

- Post-Season Review for Indoor - After the club season (typically June); review of the club season; initial planning for the next indoor season; update for beach season.
- Post-Season Review for Beach and Pre-Season Planning for Indoor - After the beach season (typically September); review of the beach season, plan the club season.

2023-24 COMMITTEE REVIEW AND ACTION ITEMS

- Youth Club (Indoor) Volleyball:
 - Published 2024 Club Handbook & Competition Calendar in August 2023.
 - Club directors meetings held in all regions in the fall to review changes and key information ahead of the 2024 season.
 - Significant and unprecedented growth in the number of teams and size of the club season, with 4,827 regular season matches held (vs 3,550 in 2023).
 - Record number of teams and courts at Volleyball BC Provincials.
 - The new club structure for 15U-18U girls was refined based on club feedback, including:
 - 17U and 18U Girls were separate categories for the full season.
 - Formula for division sizes and movement following events, including for teams that did not attend an event.
 - Improved member engagement through regular post-event surveys of participants.
 - Members of the RDC hosted monthly town hall meetings with club directors in all regions.
 - A number of changes were made in-season to improve events, including due to events exceeding capacity. Whenever possible the RDC prioritized the athlete experience and based decisions on club input. For example:
 - The order of minor officiating assignments was revised to allow for a more balanced schedule for teams.
 - 17U and 18U Boys were split into separate playing categories for their third Super Series.

- Youth Beach Volleyball:
 - The RDC is currently planning a full-scale beach season for youth. Tournament schedule is released with registration from May 1.
- Sanctions:
 - There was an increase in the number of minor sanctions applied, including:
 - Roster sticker violations
 - Late registration for members
 - Facility rule violations (failure to clean up)
 - Event withdrawals
 - There was an increase in the number of misconduct sanctions, including:
 - One expulsion.
 - A significant number of red cards.
 - There was an increased number of incidents both in and outside of matches that required investigations, follow ups, and sanctions. This included multiple issues with spectator conduct. New Event and Facility Conduct Policies were introduced at the start of the season.

2025 COMMITTEE OBJECTIVES

The RDC recognizes that our current indoor club model has facilitated immense growth but is no longer sustainable nor best suited to the ongoing success of volleyball in BC. The 2024 club season was the largest ever held by Volleyball BC, with event sizes regularly exceeding the capacity of available facilities, officials, or staff. The objectives for 2025 are as follows:

1. Implement a new process for club representation on the RDC that allows for broader participation and contribution from clubs across the province.
2. Identify and implement a temporary indoor club structure based on feedback, staff expertise, and a thorough evaluation of our resources. This will be designed to maximize participation without exceeding our capacity for the 2025 season.
3. Undergo a thorough process of club engagement, consultation, and review to create an improved and sustainable indoor club model for the 2026 season and beyond.
4. Continue to offer a full-scale youth beach season while implementing coach education requirements and strengthened policies to support the growing number of youth beach clubs across the province.
5. Improve education and consider new measures to reduce future violations of the Code of Conduct, Club Handbook, and other policies.

High Performance Committee A Report to Members – AGM 2024

PURPOSE

Provide direction and support for the 1-star (formerly Am) and 2-star (formerly Pro) Beach tournaments that are coordinated as a part of the VBC Beach Tour across BC.

KEY RESPONSIBILITIES

- Approve seeding and wild card applications for all 1-star and 2-star Beach Tournaments
- Approve seeding and wild card applications for the Vancouver Open
- Act as a liaison between VBC Tournament participants and VBC Staff
- Meet as necessary with the VBC representatives to gather input for the upcoming beach season

SCHEDULE

The Adult Beach Players' Committee meets in person three times per year and communicates by email as often as required. Meetings will be at the call of the VBC Program Manager:

- Before beach season begins (April/May)
- Before the Vancouver Open (end of June/beginning of July)
- After the beach season (September); a review of the beach season

2023 HIGHLIGHTS

- Volleyball BC launched a new website for the Beach Tour and Vancouver Open.
- The 2023 season marked the new implementation of schedule updates. In response to events being cancelled or postponed due to heat or smoke conditions, adjustments were made to the schedule to mitigate and circumvent such complications.
- The beach tournament schedule included:
 - Kits Classic - May 20-21, 2023
 - Penticton Open - June 3-4, 2023
 - Jim Clive Cup - June 10-11, 2023
 - Parksville Open - June 24-25, 2023
 - Kamloops Open - July 3-4, 2023
 - Vancouver Open - July 14-16, 2023
 - Beach Provincials - August 5-6, 2023
- For the first time, Parksville Open was a 2-day tournament in line with the rest of the 2-star events during the tour.
- The registration deadline was changed to two weeks to allow teams' better time management and a bigger time frame for communication towards the upcoming tournament.

ANNUAL REVIEW

- The Safe Sport Working Group (SSWG) met twice during the 2023-2024 season in September 2023 and in January 2024. At both meetings, staff provided progress updates for the 2023-2024 deliverables for the Safe Sport Action Plan.
- The SSWG met Dr. Shaunna Taylor to discuss and review the mental health toolkit for volleyball clubs and organisations. The SSWG provided suggestions for how to best roll out and promote the toolkit, including promotion at tournaments, pre-season online meetings for referees and coaches and creating mental health ambassadors. (As a result of this feedback, Volleyball BC launched the toolkit in October 2023 and implemented many of the group's suggestions for promotion).
- The SSWG reviewed the group's Terms of Reference and approved the skills matrix and selection process that will be used moving forward. The group also made suggestions around frequency of meetings, timing of meetings and the focus of activities.
- The group received a presentation from Caroline Sharp, Director of Safe Sport for Volleyball Canada. Caroline provided an update on OSIC, the complaint process, and learnings from the first year.
- A focus for 2024 will be on coaches and referees, providing more resources and guidance on what is appropriate/inappropriate behaviours. The group suggested activities to create more clarity on boundary transgressions and to support coaches and referees with education. It was also agreed that a priority for 2024 is to create scenarios/ table top discussions that bring safe sport issues to light and help clubs and individuals to better manage them.

- It was noted that over the 2023/2024 seasons, there have been a growing number of incidents involving inappropriate behaviour by spectators/ parents with respect to facility conduct and towards teams, coaches, and referees. In addition, there have been a number of complaints regarding racist comments or slurs. As a response, over the last season, Volleyball BC has developed new event discipline and facility conduct policies. We have also implemented more proactive communication to all participant groups about upholding our code of conduct. However, this is an issue that we need to continually address moving forward.

ANNUAL REVIEW

- This marked the first year of the Committee which was established with the purpose of providing insight and input into Volleyball BC's Strategy for Diversity, Equity, and Inclusion.
- The DEI Committee met twice over the last year. At both meetings, staff provided progress updates for the 2023-2024 deliverables for the DEI Action Plan.
- The Committee received a presentation from Inclusion Incorporated on a draft Commitment Statement on Diversity, Accessibility, Equity and Inclusion. The Committee provided detailed feedback on the content of the Commitment Statement and the role that Volleyball BC should play with respect to this area. Note: the Commitment Statement was subsequently finalised and adopted by the Board in fall 2024.
- The Committee suggested specific activities to advance DEI and accessibility considerations within the remit of Volleyball BC, including:
 - Setting up a shared coach-referee meeting before Provincial Championships or key tournaments to review expectations. (*Note: this has been implemented for the 2024 season*)
 - Providing feedback to partners and stakeholders (eg. Municipalities, facility operators) about accessibility issues and best practices.
 - Encouraging clubs to complete the DEI Audit Tool that is part of the mental health toolkit.
 - Proactively communicating with participants about accessibility issues.
 - Creating social contracts for athletes/participants with clear and simple language around behavioural expectations.

A number of these areas have been incorporated into the DEI Action Plan for 2024.

- The Committee received proposals and provided feedback to staff for the following initiatives that will be implemented by Volleyball BC later in 2024:
 - Barrier identification and reporting process to monitor and respond to accessibility issues
 - Venue accessibility checklist for VBC events.
- In March 2024, Volleyball BC was presented with the Delivering on Diversity Award by the Province of British Columbia at the Sport BC Athlete of the Year Awards. This was given in recognition of the work that Volleyball BC has done in the area of diversity, equity, an inclusion.

Awards Committee A Report to Members – AGM 2024

PURPOSE

Responsible for overseeing the Hall of Fame program of Volleyball BC, advising on Excellence awards, and nominating members from the volleyball community in BC for provincial, national, or international awards

SCHEDULE

The committee is scheduled to meet three times per year:

- annually in June – to review Hall of Fame nominees and make selections
- annually in the Fall – at the Hall of Fame event
- annually in January – to review/reflect on the Hall of Fame event and look towards next year's potential nominees, develop the communications plan for the coming year, and promote the nominations for the Hall of Fame

2023/2024 COMMITTEE REVIEW

The Awards Committee convened multiple times this year to review nominations for the Hall of Fame. After deliberation, it was decided that shifting the timing of the induction ceremony to the fall, rather than February, would be advantageous. This change was motivated by the belief that setting the nomination deadline in June would encourage more submissions, coinciding with the peak volleyball season when the sport is prominently on people's minds. With nominations open until June, the committee will convene in July to select the inductees for the Class of 2024.

The Awards Committee aims to establish a tradition of holding an annual Awards event in the fall, with 2024 marking its inaugural occurrence. Volleyball BC is eager to organize this as an in-person banquet, showcasing Hall of Fame inductions alongside Excellence Awards. Further details will be forthcoming in the following weeks.

2024/2025 COMMITTEE OBJECTIVES

With ongoing events in 2024, the Hall of Fame committee is currently open to nominations for new committee members. They also aim to establish fresh criteria and guidelines for the Excellence Awards, with detailed information to be accessible on the Volleyball BC website upon completion.

The Volleyball BC Awards Committee consistently seeks ways to acknowledge the achievements of its members and encourages all to share their ideas, feedback, and nominations for recognition at any time.
