

## APPLICATION PROCESS & BACKGROUND INFORMATION BOARD OF DIRECTORS 2026-2027

### 1. About Volleyball BC

Volleyball BC is a non-profit organization that actively encourages participation and fosters the development of volleyball in BC. As the provincial sport governing body, we are dedicated to making volleyball accessible to all British Columbians. Volleyball BC offers programs for athletes of all ages ranging from grassroots to high performance, as well as for coaches and officials.

### 2. About Volleyball BC's Board of Directors

Volleyball BC has a policy-based and governance-focused board, which sets policy and hires a CEO to implement policy and the day-to-day work of the organization. The Volleyball BC Board of Directors is accountable to its members – the competitive players, coaches and referees who are voting members of Volleyball BC. It is expected that the Board will carry out its responsibilities in a consultative fashion.

### 3. How is the Board of Directors structured?

The Board of Directors has between seven and nine members – President, Vice-President/Secretary, Treasurer, Athlete Representative, three Directors at Large and up to 2 appointed Directors.

Elected Directors serve terms of two years and will hold office until they or their successors have been duly elected unless they resign, or are removed from or vacate their office. Appointed Directors will serve a term of one year.

Volleyball BC is committed to encouraging diversity, inclusion, equity and access in its administration and governance. Part of this is encouraging equitable representation on the Board and Committees. We support applications that reflect the diversity of our membership on our Board and Committees.
